

SEC. 4. *And be it further enacted, That the Board of Governors shall have the power from time to time to prescribe the charges for hospitalization and to provide for the collection of such charges; to employ and fix the compensation of superintendents and such other persons as may be needed in carrying on the work of the Garrett County Memorial Hospital as a general public hospital; to adopt rules and regulations governing the conduct of employees, nurses, physicians and surgeons employed or in attendance therein; the entrance, conduct, course of study and graduation of student nurses therein, and may adopt such other rules and regulations pertaining to management, maintenance and operation of said Hospital as it may determine.*

SEC. 5. *And be it further enacted, That in the operation of said Hospital all money received shall be deposited in the name of said Board of Governors in such proper financial institution or institutions as it shall order, and said Board of Governors shall have power to make all proper expenditures for the operation of said Hospital, said expenditures to be made only by proper vouchers signed by the Chairman of said Board and the Treasurer thereof. Proper books and accounts shall be kept and maintained of all receipts and expenditures by said Board of Governors in the operation of said Hospital, and shall be audited not less than once in each year by a duly qualified auditor or accountant appointed by the County Commissioners. Said Board of Governors shall have power from time to time in the maintenance of said Hospital and from the funds thereof to make such repairs as may be required upon said building or buildings, and to purchase such supplies and equipment as may be necessary in such operation and maintenance, but shall not have authority, without the consent of the Board of County Commissioners to make any addition thereto, or increase the capital account thereof, unless such addition or increase of capital account shall be by donation of individuals to said Board of Governors.*

SEC. 6. *And be it further enacted, That from and after the effective date of this Act, the County Commissioners shall have the power to levy for the operation and maintenance of said Hospital. If a deficit shall be found to exist in such operation and maintenance, to appropriate out of the funds so levied such amount or amounts as may be deemed necessary for the purposes of said Hospital. In the event of a deficit in such operation in excess of the amount levied in any one year, the said County Commis-*
