

County, Maryland, once a week for at least three successive weeks prior to the date of their sale, and by such other advertisement as may to them seem proper and advisable, inviting sealed proposals for the purchase of said bonds or any part thereof with the privilege of rejecting any or all bids, and no bid shall be accepted at less than par and accrued interest; the entire issue of bonds may be offered at one time or they may be offered in varying amounts at different intervals, as may seem most advantageous to the County Commissioners of Wicomico County and the Board of Education of Wicomico County in constructing, erecting, completing the construction, or aiding in construction, making additions and improvements to and equipment of schools for the erection of which the proceeds of said bonds are to be used; and no part of the money arising from the sale of said bonds shall be used except for the purposes designated and provided for in this Act, except that any accrued interest shall be set aside in a separate interest fund and be devoted to the payment of the first maturing coupons, and provided further, that the cost of engraving or printing of said bonds and the cost of advertising authorized by this Act, and by any other expenses incidental to the issuance and sale of said bonds, may be paid out of said funds.

SEC. 4. *And be it further enacted,* That the proceeds arising from the sale of said bonds shall be paid over to the Treasurer of Wicomico County, and credited by him to the County Commissioners of Wicomico County and the Board of Education of Wicomico County, to be used in the joint discretion of the members of said County Commissioners and Board of Education and under their joint supervision and direction for building or aiding in building, making additions and improvements to and equipping the aforesaid school buildings. Said County Commissioners and Board of Education shall have full joint authority to contract for, supervise, direct and control such work in such manner as in their discretion they may deem to be the best public interest, and full power is given to them to employ and pay out of the said funds all architects, builders, or other persons, supervisors or agents, as to them may seem advisable and necessary; and they shall divide and allot said funds to said buildings and equipment, but not exceeding the amounts allotted or specified for each except as to the use of said contingency fund of Fifty Thousand Dollars (\$50,000.00) which may be allotted to any or all of said projects as said joint boards shall determine. Each such project is to be or have substantially the type of im-
