

(1) *Maintenance, care, repair and construction of roads and bridges outside the boundaries of said city and incorporated towns.*

(2) *All expenses of the County Highways Department and Roads Engineer including their pro rata share of any advertising done under contract and including all sums allotted for the payment of pensions and employment benefits for personnel of the Highway Department.*

(3) *The cost of all road and highway lighting outside the boundaries of said city and incorporated towns.*

(4) *The costs of the construction, acquisition and maintenance of dumps for the use of non-residents of said city and incorporated towns.*

*The County Commissioners of Harford County are hereby relieved of any responsibility for the maintenance, care, repair or construction of any roads, streets, alleys or bridges and from providing street lighting within the boundaries of said city or incorporated towns, and said city and incorporated towns shall maintain and provide such services within their boundaries and shall also provide for the disposal of the trash and refuse of their respective residents.*

*After having fixed a County wide rate as above, the County Commissioners of Harford County shall then levy an additional tax on property outside the said city and incorporated towns sufficient to satisfy the appropriations for the above listed activities outside the said city and incorporated towns, after first applying to such appropriations all other anticipated revenue required to be spent on any of said listed activities and any surplus resulting from any such prior additional tax (levied for any year beginning after January 1, 1953) or other revenue required to be spent on any of such listed activities. All sums collected from such additional tax together with all other revenues dedicated or allocated to any one or more of such listed activities shall be kept and deposited by the Treasurer and the County Commissioners of Harford County in a special bank account, or accounts separate and apart from all other funds and no part of the funds so directed to be segregated for said listed activities shall be spent for any purpose other than the said listed activities provided however that the County Commissioners may, to avoid the necessity of borrowing for current operations, advance money to or from said funds segregated hereunder by a warrant signed by a majority of the board stating the*
