

agreements for the construction of such work or regarding such construction in the town with the Washington Suburban Sanitary Commission, or with any other State or Federal agency charged with responsibility over storm water drainage in the drainage area within which the Town of Riverdale is situated.

Any agreement entered into by the Mayor and Common Council of Riverdale with any governmental agency shall provide for the allocation of the town's share of the cost of the system of storm water drainage in such manner as will equitably apportion the items of cost chargeable to the town arising from its obligation as a municipality for the maintenance of streets, roads and bridges, and those costs arising from the development of improved drainage for areas beyond the boundaries of the municipality.

SEC. 4. *And be it further enacted,* That the Mayor and Common Council of Riverdale shall include in the annual tax levy a "Town Drainage Tax" on the assessable property within the town sufficient to pay the principal and interest on the bonds or notes issued under this Act as such principal and interest may become due and payable until all of the bonds or notes shall mature and be paid. The "Town Drainage Tax" levied hereunder shall be a lien against the property against which it is assessed and shall be collected in the same manner as other town taxes.

Sec. 5. *And be it further enacted,* That this Act shall not become effective until it shall first be submitted to the legally qualified voters of the Town of Riverdale at the next regular election held in said town. There shall be printed on the ballots to be used at said election the title of this Act and underneath said title, on separate lines, a square or box or lever to the right of and opposite the words "For Storm Water or Surface Drainage System", and a corresponding square or box or lever to the right of and opposite the words "Against Storm Water or Surface Drainage System", so that the voters of the town shall be able to designate his or her decision for or against said Act. If a majority of the votes cast shall be "For Storm Water or Surface Drainage System", then this Act shall become effective, but if a majority of the votes cast in said election shall be "Against Storm Water or Surface Drainage System", then this Act shall be null and void and of no effect.

Sec. 6. *And be it further enacted,* That this Act shall take effect June 1, 1953.
