CHAPTER 430

(Senate Bill 388)

AN ACT to authorize the Washington Suburban Sanitary Commission to construct, reconstruct, extend, operate and maintain a water system from its present system west of the town of Laurel to the Howard County boundary line for the purpose of supplying water to the residents of Howard County; to authorize the said Washington Suburban Sanitary Commission to enter into any contract or agreement with the Howard County Metropolitan Commission to supply water to the residents of Howard County and to provide for the operation, maintenance, regulation and control of the systems of the Howard County Metropolitan Commission which receive water from the system or systems of the Washington Suburban Sanitary Commission and for other purposes.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Washington Suburban Sanitary Commission be and is hereby authorized and empowered to construct, reconstruct, extend, operate and maintain a water system from its present system west of the town of Laurel to the Howard County boundary line for the purpose of supplying water to the residents of Howard County.

SEC. 2. *And be it further enacted*, That the said Washington Suburban Sanitary Commission shall have full power and authority to enter into any contract or agreement with the Howard County Metropolitan Commission, or its successors, and/or with any person, firm, corporation or association, including any private or public service corporation to furnish water from its system authorized to be constructed under this Act or by any other means which the Commission may deem necessary and proper.
