

the satisfactory completion of the work for which said bid is accepted, or a contract is awarded. Whenever the Mayor and Council may be able to purchase material and/or employ labor by direct purchase, or employment at an amount less than the amount of the lowest bid for labor and/or material, after public invitation for bids as required by the provisions of this section, then in that event the Mayor and Council may undertake directly to purchase said materials and/or employ such labor as may be necessary to perform the municipal work as required, provided however, that the Mayor and Council may use such regular town employees and town equipment as it may have under its control for the performance of any work of whatever character necessary for street improvement or maintenance without regard to the expense thereof, and without advertising or invited public bids as required by the provisions of this section, for such part of the work which may be done with such regular town employees and such town equipment.

SEC. 20. *And be it further enacted*, That the Mayor and Council is hereby authorized to provide means for the collection and removal of garbage, trash, rubbish, and other refuse matter from within the limits of the Town, whenever in its discretion it believes the public health and safety of the residents of the Town require the same, or the public necessity warrants the same, and in such event, the collection and removal of such garbage, trash, rubbish and other refuse matter may be undertaken by the Town itself, through employees of the municipality and the use of municipal equipment, or said municipality may contract for the collection and removal of such garbage, trash, rubbish, and other refuse matter with such person, firm, or corporation as the municipality may agree with for such collection and removal, under such agreement, and upon such terms and for such compensation as they may agree upon, and such compensation shall not be limited to the amount prescribed by Section 18 of this Charter, or to the manner provided therein for letting such municipal work.

SEC. 21. *And be it further enacted*, That the Mayor and Council of Carrollton are hereby fully authorized and empowered to construct, establish, and maintain in working order, a sewerage system in the City of Carrollton, if facilities of Washington Suburban Sanitary Commission are not available, for the collection, transmission, and disposal of drainage and sewerage from the houses and other buildings, and cesspools, wells, sinks, and other
