

SEC. 6. *And be it further enacted,* That the said Burgess MAYOR and Council are authorized and empowered to contract for, purchase in fee simple or lease for a terms of years, any land, real estate, spring, brook, water and water courses, to dig, bore, and sink wells, to erect any and all reservoirs, storage dams, and standpipes, for the storage of water, as may be necessary and expedient; to lay all pipes and conduits, erect fire plugs, to purchase all necessary machinery, supplies and materials necessary to be used in building, construction, operating or maintaining said Water Works or extending the same.

SEC. 7. *And be it further enacted,* That if the said Burgess MAYOR and Council cannot agree with the owner or owners of any real estate or leasehold estate, spring, brook, stream, water or water course, or with the owners of any real or leasehold estate or land through which it may be necessary to have a right of entry or passage for conveying water, or if such owner or owners is or are incapable of contracting or is absent from Washington County or unknown, it shall be lawful for the said Burgess MAYOR and Council of Boonsboro, and it is hereby authorized and empowered to acquire the same by condemnation in the manner set forth in Sections 308-315 of Article 23 of the Annotated Code of Maryland (1951 Edition), and any amendments thereto and the provisions thereof to meet conditions as required are hereby made applicable to any and all proceedings of condemnation which may be necessary by said Burgess MAYOR and Council.

SEC. 8. *And be it further enacted,* That the title to said Water Works and all lands, estate, water courses, water ways, reservoirs, dams, well, conduits, pipes, fire plugs, machinery appliances and any and all parts thereof, whatsoever, and all property and things belonging or appertaining thereto, shall rest in the Burgess MAYOR and Council of Boonsboro.

SEC. 9. *And be it further enacted,* That every person who shall knowingly or wilfully pollute any spring, streams, brooks, water course, reservoir or standpipe in connection with the said Water Works so built or constructed by throwing any impure or deleterious substance or thing into the same, or by swimming, bathing or washing themselves, or by washing clothes or any other thing therein, or by committing any nuisance in or near the sources of supply of the said reservoir or standpipe for said Water Works, so as to pollute the same shall, upon
