

**CHAP. 136.** teen feet thereof to be made an artificial road of stone or gravel, upon the plan, style, depth and level of the road leading from Frederick city to the Monocacy bridge, on the Georgetown road, as far as is consistent with the nature of the ground, and shall during the continuance of this corporation, maintain and keep the said road in good and perfect order and repair.

After complet-  
ing 5 miles of  
road, to give  
notice to Go-  
vernor.

**SEC. 11.** *And be it enacted,* That as soon as the President and managers and company shall have perfected the said road for any distance from either end of the said road, not less than five miles, and so on from time to time, any other like distance progressively, they shall give notice to the Governor of the State, who shall thereupon forthwith nominate and appoint three skilful and judicious persons to view and examine the same, and report to him in writing whether the said road is so far executed in a masterly workmanlike manner, according to the true intent and meaning of this act; and if their reports shall be in the affirmative, then the Governor shall by license under his hand, and seal of the State, permit and suffer the said president, managers and company to erect and fix such and so many gates, upon and across the said road, as will be necessary and sufficient to collect the tolls and duties hereinafter granted to said company, from all persons travelling on the same with horses, cattle, wagons, carts, and carriages.

Collect tolls.

Power to erect  
bridges.

**SEC. 12.** *And be it enacted,* That the said company shall have power to erect bridges over all waters crossing the said road, and may enter upon and take all land or materials necessary for the construction of said bridges; *provided nevertheless,* that the president and managers of said company may agree with the owners for the purchase of the same; and in case they shall not be able to agree with the owners, or if the owner should be a feme covert, non compos mentis, or under age, the president shall then proceed in the manner directed by the ninth section of this act, and all appropriations of land, or materials for the construction of said bridges, shall be subject to the same restrictions specified in the ninth section.

Proviso.

To appoint  
toll gatherers.

**SEC. 13.** *And be it enacted,* That the said company having perfected the said road, or such parts thereof, from time to time, as aforesaid; and the same being examined, approved and licensed in manner aforesaid, it shall and may be lawful for them to appoint such and so many toll-gatherers as they shall think proper, to collect and receive of and from any person or persons using said road, the tolls and rate per mile according to the length of the road, as are charged and collected at the toll gates of the Balti-
