

this effect have been frequently made by committees of Congress, and appropriations for the service have been reported, but from various circumstances have failed in being effectually secured—therefore,

Be it resolved by the General Assembly of Maryland, That the senators and representatives in Congress from this State be earnestly requested to urge to its final passage an appropriation by Congress for the immediate construction of the necessary fortifications at Sollers' Point Flats in the harbor of Baltimore.

Resolved, That his excellency the Governor of Maryland, be respectfully requested to transmit a copy of the foregoing preamble and resolutions to our senators and representatives in Congress at as early a date as practicable, after passage by this General Assembly.

Be it resolved, That the senators and representatives in Congress, from this State, be earnestly requested to urge upon the Congress of the United States, the exposed condition of the Chesapeake bay, and the importance of making liberal appropriations for the construction of all fortifications that may be necessary for its defence.
