

CHAP. 315. **SEC. 3.** *And be it enacted,* That the said new regiments shall be equally divided between the third and fourth brigades.

Regiment to be divided.
Commanding officer to correct omission.

SEC. 4. *And be it enacted,* That if, from any cause, an enrolment of the whole, or any part of said division, shall fail to be ordered, or not made at the time prescribed by the act to which this is an additional supplement, the commanding officer of said division may have the omission corrected, by ordering an enrolment to be made, and prescribing the time for the same.

Company officer to employ person.

SEC. 5. *And be it enacted,* That the company officers of the division are authorised to employ a suitable person or persons to make the enrolment of their respective districts.

Report to Adjutant General.

SEC. 6. *And be it enacted,* That the said board make a return of their proceedings to the Adjutant General's office, to be therein recorded.

CHAPTER 315.

Passed March 6, 1847. *An act to incorporate the Cumberland Nail and Wire Company.*

Preamble.

WHEREAS, it is represented to the General Assembly of the State of Maryland, that the mines, both of coal and iron in the vicinity of the town of Cumberland, in the county of Allegany, are eligibly situated to sustain manufactories of iron, and that the establishment of works for this purpose will tend to develop the mineral wealth of that rejoin, to the interest and increased revenue of the State of Maryland; and whereas, a larger amount of capital can be commanded for the purpose by the association of individuals under a charter as a body politic—
Therefore,

Incorporated.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That John Guest, Archibald Carey and George A. Thurston, of the town of Cumberland be, and they are hereby appointed commissioners, under this act, to receive subscriptions to the capital stock of a company to be entitled, the Cumberland Nail and Wire Company, and the objects of said company shall be the manufacture of iron from the ore, or from iron previously prepared, into nails or wire by machinery or otherwise.

Open books.

SEC. 2. *And be it enacted,* That the said commissioners, or any two of them, shall open books in the town
