

CHAP. 172.

Distribution
to be made se-
mi-annually.

SEC. 6. *And be it enacted*, That the distribution on the basis provided for in the first section of this act, shall be made on or before the first day of November next, and on or before the first day of November annually thereafter, and that after the first day of next November the board of primary education of Worcester county shall be authorised and required to issue their orders semi-annually to the agent of the school fund of said county to pay to the trustees of each district, or to a majority of them, or their order, the amount to which said district may be entitled under the distribution of the current fiscal year, without reference to the length of time said school may have been taught in said district in said fiscal year, or the number of scholars taught therein.

Schools enti-
tled to funds
without regard
to time in ope-
ration or num-
ber taught in
the same.

SEC. 7. *And be it enacted*, That the several school districts in said county shall be entitled to such portion of the fund as may have been allotted to them under the distribution for the present fiscal year, and the board of primary education are hereby required to issue their order to the agent of said school fund to pay to the several boards of trustees or a majority of them, or their order, said several sums without respect to the length of time school may have been taught in said district, or the number of scholars taught therein during the present fiscal year.

Land to be
condemned for
the erection of
school houses.

SEC. 8. *And be it enacted*, That in all and every school district of the said county where the public convenience may require the location of the school house for said district on any lands in which minors, lunatics, persons non compos mentis, or non-residents may be interested, or on the lands of persons of full age resident in the county, without any legal disability, who may not consent to such location, or who may be unwilling to convey the same to the said board of primary education as may now be required by law, that then and in that case the said board of primary education shall appoint three disinterested men, freeholders of said county, not residing in said district, who shall proceed with a competent surveyor of the county to lay off proper marks and bounds, not exceeding an half acre of land, for the site of the school house for such school district, and shall further ascertain the value of the said land and the damages, if any, which may accrue to the parties or persons interested therein, by such location, all of which proceedings they shall report fully to the said board of primary education, and on the approval thereof by the said board, the same shall be condemned as a site for the school house of said district, and the said board shall
