

PHILIP F. THOMAS, ESQUIRE, GOVERNOR. 1847.

tural Chemist for the State, and if the Senate shall have CHAP. 249. adjourned before the Governor shall make the appointment for the present year, or if a vacancy shall hereafter occur during the recess of the Senate, then the Governor alone shall make such appointment, which shall be good and valid until the tenth day after the next meeting of the Senate.

SEC. 2. *Be it enacted,* That the State shall be divided into three districts, the first shall comprise that part of the State now comprised in the first gubernatorial district, the second that of the third gubernatorial district, and the third that of the second gubernatorial district.

State divided
into districts.

SEC. 3. *Be it enacted,* That the said Agricultural Chemist shall spend one year, the first beginning on the date of his appointment, in each of said districts in the order named; it shall also be his duty to spend one month in each county and Howard district, and visit each election district.

Chemist to
spend one year
in each district

SEC. 4. *Be it enacted,* That it shall be the duty of said Agricultural Chemist to analyze specimens of each variety of soil of the county in which he shall be, that may be brought to him or that he may find to exist, and also to examine, and if necessary, analyze specimens of each kind of coal or other mineral or vegetable deposit that may come to his knowledge, in order that his instructions may be of more practical utility.

To analyze
one specimen
of each variety
of soil.

SEC. 5. *Be it also enacted,* That it shall also be his further duty to deliver one public lecture, after having given timely notice thereof, in each election district in each county, and then to deliver a course of public lectures at each county town, and some central place in Baltimore county, after having given also sufficient notice thereof in each election district, and he shall also permit the clerk of the levy court, or of the commissioners of the tax, as the case may be, to take a copy of said course of lectures to be retained and kept for the use and benefit of the county, and published by said levy court or commissioners of the tax, if to them it shall seem expedient.

Compensation
by a sum to
be paid.

SEC. 6. *Be it enacted,* That the said Chemist shall make an annual report to the House of Delegates, if in session, and if not, then to the Governor, whose duty it shall be to cause the same to be published, of his proceedings and such other matters touching the agricultural interest of the State as may be considered necessary.

Sec 6. b/w A
of gaibroose
viture

SEC. 7. *And be it enacted,* That for the faithful discharge of his duties the said Chemist shall receive the compensation, or still the same by other measurement, if any person or persons shall knowingly purchase
