No. 37.

Preamble and Resolution to pay William Glover for recording certain Chancery papers.

Passed
March 9, 1848.

WHEREAS, it is represented to this General Assembly, that William Glover, of Annapolis city, as deputy clerk for Ramsay Waters, late Register of the Court of Chancery, was employed to record chancery sales of real estate, and did record such of said sales as were ready for record from December term eighteen hundred and thirty-three to September term eighteen hundred and thirty-six, but never having been compensated for the same by the said Ramsay Waters, retained possession of the same and now has them in his possession; and whereas, it is further represented to this General Assembly, that said records are important in the Court of Chancery, and must be supplied, and these will be furnished by the said William Glover for a small compensation, less than one-fourth the usual cost of recording the same—Therefore,

Resolved by the General Assembly of Maryland, That the Treasurer of the Western Shore be and he is hereby authorised and directed to pay to said William Glover, or his order, the sum of two hundred and fifty dollars, upon his procuring from Louis Gassaway, esquire, present Register in Chancery, a receipt or certificate that the above named records from December term eighteen hundred and thirty-three to September term eighteen hundred and thirty-six, entire, complete and in good state of preservation, have been deposited in the Chancery office of Maryland, for the use and as the property of said State.
