AN ACT relating to the Patapsco Bank of Maryland

Preamble.

WHEREAS, at a general meeting of the stockholders of the Patapsco Bank of Maryland, held at Ellicotts Mills on, on the thirteenth day of June, eighteen hundred and fifty-three, it was unanimously resolved that the president and directors of said bank, proceed as expeditiously as practicable to wind up the concerns of said bank; and whereas, the said president and directors, did thenceforth discontinue the exercise of all the valuable banking privileges conferred by the charter of said bank, and did in less than three months thereafter, wind up the concerns of said bank and distribute amongst the stockholders the capital thereof, paying to each the par value of his stock; and whereas, the said banking privileges, charter, capital and shares of stock of said bank have virtually ceased to exist or be of value, and it is reasonable and just that the burdens, taxes and impositions heretofore imposed, levied or collected on the said bank, its capital or stockholders should no longer be continued; Therefore;

Not to be taxed

Be it enacted by the General Assembly of Maryland, That no such burdens, impositions or taxes shall hereafter be laid or collected for any year subsequent to the first day of January, eighteen hundred and fifty-four.
