

the bounds of the lands condemned, and the quantity or duration of the interest in the same, valued for the company, and such valuation, when paid or tendered to the owner or owners of the property, his, her or their legal representatives shall entitle the said company to the estate and interest in the same, thus valued, as if it had been legally conveyed by the owner or owners of the same, and the valuation, if not received when tendered, may at any time thereafter be received without cost from the said company by the owner or owners, or his, her or their legal representatives.

Established  
road or way.

SEC. 3. *And be it enacted*, That whenever in the construction of said road it shall be necessary to cross or intersect any established road or way, the said president and directors shall so construct the said road across such established road or way as not to impede the passage or transportation of persons or property along the same; and when it shall be necessary to pass through the lands of any individual, it shall also be their duty to provide for such individual proper wagon ways across said road or roads from one part of his land to the other.

Power to  
purchase ma-  
chines, &c.,  
and to charge  
for tolls, &c.

SEC. 4. *And be it enacted*, That the said president and directors shall have power to purchase with the funds of the company, and place and use on any rail road constructed by them under this act, all machines, vehicles or carriages of any description whatever which they may deem proper for the purposes of transportation on the said road; and they shall have power to charge for tolls upon and the transportation of persons, goods, produce, merchandise or property of any description transported by them on said rail road, any sum not exceeding the following rates, that is to say: on all goods or merchandise or property transported on said road or roads, not exceeding six cents per ton for both tolls and transportation for every mile the same shall be transported, and for passengers, not exceeding four cents per mile for each passenger; and it shall not be lawful for any person or persons, or for any corporate body, to travel upon or use the road of the said company or to transport any persons, merchandise or property of any description upon or along the road of the said company without the license or permission of the president and directors of the said company.

Rates.

Bell to be  
rung.

SEC. 5. *And be it enacted*, That a bell shall be placed on each locomotive engine, and rung at the distance of at least one hundred rods from the place where the rail road shall cross any travelled public road or street, and be kept ringing until it shall have
