

subdivision, up to the total of its share, that actual expenditures, as established to the satisfaction of the State Board of Health, made by that subdivision for general health services bears to that subdivision's share of its estimated minimum budget, provided that all such expenditures do not exceed the total amounts available under the appropriations herein set forth. The State Board of Health shall allow a transition period of not to exceed five SIX years from July 1, 1956, during which adjustment from the 1955 fiscal year to the basis of financial support outlined herein shall be made in increments of twenty percent (20%) each year. If any sub-division appropriates and expends more than is provided herein as its share of its estimated budget for minimum health services, as adjusted for the period of transition, the State Board of Health is authorized, subject to availability of funds under this appropriation, to match such additional expenditures on any proportionate basis that it may deem appropriate. The State Board of Health is authorized to promulgate rules and regulations for the implementation and application of the formula outlined herein.
