

No. 8

(Senate Joint Resolution 9)

Joint Resolution urging the Interstate Commission on the Potomac River Basin to develop certain plans for abatement of interstate pollution on the Potomac River, and urging reappointment of the Special Committee on the Potomac River.

WHEREAS, As a part of its study of the problems of the Potomac River, the Legislative Council's Special Committee on the Potomac River has noted the presence on the river of pollution in Allegany, Charles and Prince George's Counties, which appears to be of an interstate character, and

WHEREAS, In its Report the Committee observed the presence of conflicting jurisdictions, state and federal, in the solution of the problem of pollution on the River, and the Committee urged that the cooperation of these jurisdictions be achieved through establishment of a master plan to provide the means of abating pollution and the method of financing such abatement plans, and

WHEREAS, The Committee also adopted a recommendation that further study of the Potomac River and its problems was necessary and requested continuance of the Special Committee, now, therefore, be it

Resolved by the General Assembly of Maryland, That the Interstate Commission on the Potomac River Basin be requested through studies to explore means to alleviate or control pollution, especially from sewage, on the Potomac River in the vicinity of the District of Columbia, and Prince George's and Charles Counties and to prepare therefrom a master plan for the abatement of interstate pollution, together with plans to finance the proposed abatement of pollution, and to report such plans to the Legislative Council prior to the 1959 Session of the General Assembly, and be it further

Resolved, That the Special Committee on the Potomac River be reappointed for 1958 by the Legislative Council.

Approved March 6, 1958.
