

## No. 17

(Senate Joint Resolution 31)

Senate Joint Resolution presenting the Honorable Theodore R. McKeldin, Governor of Maryland, the desk and chair in the office of the Governor in the Government House.

WHEREAS, As a slight token of appreciation for outstanding services rendered to the people of the State by the Honorable Theodore R. McKeldin, during his term as Governor and in recognition of the sentiment which the desk and chair where he worked so assiduously on plans for the welfare of the people must have for him; now, therefore, be it

*Resolved by the General Assembly of Maryland,* That the desk and chair in the office of the Government House be and they are hereby presented to the Honorable Theodore R. McKeldin, Governor of Maryland, on behalf of the people of the State, with the request that he accept them as a slight token of the appreciation, respect and high esteem in which he is held by the people of Maryland for the outstanding services he has rendered in working and planning for the present and future welfare and improvement of the State.

Approved April 4, 1958

No. 18

(House Joint Resolution 15)

House Joint Resolution requesting the appointment of a Joint Legislative Committee to study the problems of the aging group in our population in reference to employment, housing, health, recreation and general social and economic needs; to determine the feasibility of establishing a State Commission on Aging and to suggest the duties and responsibilities of such a Commission if the same be recommended.

WHEREAS, The number of elderly persons and their proportion to the population as a whole is constantly increasing in this State as well as throughout the United States; and

WHEREAS, The Governors' Conference, at its 46th Annual Meeting in July 1954, requested the Council of State Governments to study the problem presented by the aging population so as to provide "a basis for intelligent planning of adequate care, treatment and rehabilitation facilities to cope with the needs of the foreseeable future;" and
