

*the Commission and under its supervision, and its maintenance and operation shall be under the general control of the Commission; and no such system or part thereof, or no water main, sewer, storm drain, water purification or sewage treatment plant, or no connection with any of them, shall be constructed or installed except as in this section provided, and any violation of this provision shall be a misdemeanor punishable under Section 414 of this sub-title. All construction and operating records, including cost records, shall be filed with the Commission, which shall be empowered at any time to take over said system or part thereof, or said water main, sewer, storm water drain, water or sewage treatment plant, or connect on with any of them in the same manner as provided under Section 409 for systems existing at the time of the passage of this sub-title. The Commission shall be empowered to extend its water supply, sewerage or drainage systems into any area outside of any sanitary district contiguous thereto or in the vicinity thereof, when the property owners of said area shall agree to the charges, assessments and conditions that may be imposed by the Commission as hereinbefore outlined.*

*411. The Commission may enter upon and excavate any State, County or municipal street, road or alley, or any other public highway, for the purpose of installing, maintaining and operating the water supply, sewerage or drainage systems provided for under this sub-title, and it may construct in any such street, road, alley or public highway, a water main, sewer or drain or any appurtenance thereof, without the receipt of a permit or the payment of a charge; provided that whenever any State, County or municipal highway is to be disturbed, the public authority having control thereof shall be duly notified; and provided further, that said highway shall be repaired and left by the Commission in the same condition as, or in a condition not inferior to, that existing before said highway was torn up, and that all costs incident thereto shall be borne by the Commission.*

*412. Any employee or agent of the Commission shall have the right of entry, at all reasonable hours, upon any private premises and into any building, in such sanitary district, while in pursuit of his official duties, upon first presenting proper credentials from the Commission, and any restraint or hindrance offered to such entry by any owner or tenant, or agent of said owner or tenant, or any other person, shall be a misdemeanor punishable under Section 414 of this sub-title.*

*413. All individuals, firms or corporations having buildings, conduits, pipes, tracks, poles or other structures or obstructions in, on, over, under or through any public road, street or alley of any sanitary district, or any portion of Cecil County outside of any sanitary district, which shall block or impede the construction and establishment of the Commission's water supply, sewerage or drainage systems, or other works, shall upon reasonable notice from the Commission, promptly so shift, adjust, accommodate or remove such structures or obstructions as to fully meet the exigencies occasioning such action; providing, however, that the costs of such change shall be borne and paid for by the Commission. Every public service corporation, company or individual before it or they shall begin any excavation or construction in any street, road, alley or*
