

shall be under and subject to the authority of the County Roads Board and shall have charge of making surface plats, profiles and specifications for the grading, drainage, maintenance, repair and reconstruction of the public roads, bridges, drains, water courses, public landings, culverts, ferries, curbing and guttering in the County and also shall do or supervise the doing of all necessary engineering and other work in connection therewith. He shall receive such salary and payable in such manner as the County Roads Board shall determine.

481. The said County Roads Board is hereby authorized and directed to employ a clerk and an attorney to said Board and to fix their annual compensation and the manner of payment. If the clerk and/or attorney appointed to the County Roads Board is the same person or persons as the clerk and/or attorney to the County Commissioners, such compensation shall be in addition to that paid for services to the County Commissioners. Said attorney may also be paid additional fees in the discretion of said County Roads Board for special services to it.

482. The said County Roads Board is hereby authorized and empowered to employ such other personnel and to fix their compensation and the manner of paying same as said Board deems necessary to carry out its duties under this sub-title.

483. In addition to their salaries or compensation above referred to, the members, appointees and employees of said County Roads Board shall receive traveling expenses for travel deemed necessary by the County Roads Board.

484. Whenever, during the effective period of the authority hereby conferred upon said County Roads Board and prior to the repeal of that authority, any specific authority is conferred upon Caroline County relating to the public roads, bridges, drains, water courses, public landings, culverts, ferries and curbs and gutters therein, it shall be interpreted as vesting that authority in said County Roads Board.

485. The said County Roads Board is hereby authorized and empowered to borrow from time to time such sums of money as it may deem necessary to carry out its duties under this sub-title, but not to exceed Fifty Thousand Dollars (\$50,000.00) in the aggregate at any one time, and to issue its notes or certificates of indebtedness as evidence of said loan. Said money when borrowed shall be paid into and out of and accounted for along with other regular roads funds.

486. The County Commissioners of Caroline County be and they are hereby authorized and empowered, at such time as jurisdiction over and control of the County roads system of Caroline County is returned to said County, to purchase from the State Roads Commission of Maryland, and said State Roads Commission is hereby authorized to sell such road equipment as may by mutual agreement between them be determined to be available for sale and necessary for continued use on the County roads system of said County. Such equipment shall be purchased out of the general funds of said County (and if funds are not available from the current year's budget, the County
