No. 10

(Senate Joint Resolution 15)

Joint Resolution establishing a Commission on ~~Federal~~ Aid for Rural Water and Sewerage Facilities, to study the possibility and desirability of obtaining Federal AND/OR STATE financial aid for the construction and maintenance of additional water supply and sewerage disposal facilities in rural areas of this State.

WHEREAS, During recent years there has been a large increase in the population of the State of Maryland; and

WHEREAS, Said increase has been occasioned, at least in part, by families of members of the Armed Forces and Federal employees seeking living accommodations in the vicinity of their duty assignments; and

WHEREAS, A substantial portion of said large increase in population has settled in areas heretofore completely rural in nature and accommodations; and

WHEREAS, Said influx of new homes and families into areas of a rural nature has created many and severe problems of sewerage disposal and sanitation; and

WHEREAS, The problems and conditions mentioned above are related directly to, and are inseparably joined with the public health, safety and welfare of the citizens of this State and of the United States; and

WHEREAS, The only remedies to the problems and conditions set out above involve large construction projects and substantial expenditures of money, the latter in particular being far beyond the financial abilities of said rural counties; now therefore be it
