

*under the County Commissioners; (f) prepare for the County Treasurer checks, drawn on depositories of the Treasurer, for signature by the County Treasurer, for payment of all authorized expenditures and submit same to the County Treasurer with appropriate approved voucher or directive for payment thereof; (g) coordinate the functions of the Accounting Department with the operations of the County Treasurer to eliminate duplication of records and facilities in relation to the fiscal accounting affairs of the County Commissioners; (h) provide for the preparation and submission of all budget requests of Departments and offices under the County Commissioners, and other agencies for which a tax levy is to be made, assemble the same and prepare for the County Commissioners a proposed budget for the County, together with an estimate of revenue to be raised by tax levy, for adoption of the County Budget and tax levy; (i) perform such other duties as the Board may prescribe.*

18. To provide for grading, paving, regrading, repaving, curbing, recurbing, or repairing any road or sidewalk now or hereafter condemned, ceded, opened, widened, extended or straightened as public property and for levying for the cost thereof on the assessable basis of the County or providing for the payment of the cost thereof from the County's share of the State gasoline tax; and to provide for establishing the [office of County Roads Engineer] Department of Public Works, and defining the duties and powers thereof.

34. *Establish an Office of Licenses and Inspections to coordinate the procedure for obtaining information or services in procurement of licenses and permits; and, for such purpose, if need be, to consolidate, reorganize, merge or establish any existing or additional office, branch or department under the County Commissioners to expedite issuance of permits or licenses and act in liaison with other governmental agencies for assistance to the public in obtaining information or services respecting licenses and permits.*

35. *Take over, consolidate, reorganize, merge or establish, with offices or departments under the County Commissioners, the functions, duties and responsibilities of any other governmental agency, Board, Commission, upon passage of appropriate legislation transferring such functions, duties and responsibilities.*

36. *Establish other Departments or offices under the County Commissioners and prescribe the functions thereof; and, in addition whenever deemed necessary or desirable, discontinue, reorganize, consolidate, merge, or re-establish any existing or additional office, branch or department under the County Commissioners for more efficient or economical administration of governmental service.*

37. *Establish or re-establish a Transfer Office to effect the transfer of all real property from one owner to another; record the new owner's name, address, and the liber and folio number of the County Land Records relative to such transfer, within seven working days from the date of the transfer, or presentation of such deed for record to the Clerk of the Circuit Court for the County.*

SEC. 2. *And be it further enacted, That if any section or part of section of this Act shall be held invalid by a court of competent*
