179-S. In addition to the powers and duties given to the Board in Sections 179-A to 179-R, inclusive, the Board shall also examine into the qualifications and capabilities of all persons who are engaged or desire to engage in the limited fields of electrical work such as the installation, maintenance and repair of electrically operated heating equipment, electrically operated air-conditioning and refrigeration equipment, electrically operated elevators, electrical display signs or electrical household appliances. Persons found properly qualified by the Board shall be issued Restricted Electrician Licenses which shall be designated as such and shall contain the names of the particular fields of electrical work in which the persons are qualified. All matters handled by the Board in connection with the issuance of Restricted Electrician Licenses shall be dealt with in the same way and under the same rules and regulations and to the same extent as the Board uses in the issuance of Master Electrician Licenses.
