CHAPTER 537

(House Bill 794)

AN ACT to add Section 488A to the Code of Public Local Laws of Anne Arundel County (1947 Edition), being Article 2 of the Code of Public Local Laws of Maryland, title "Anne Arundel County", sub-title "Sanitary Districts", said new section to follow immediately after Section 488 thereof, pertaining to the Anne Arundel County Sanitary Commission, to authorize the Commission to make long-range studies and plans, to employ help and to raise funds to defray cost of such studies and plans.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 488A be and it is hereby added to the Code of Public Local Laws of Anne Arundel County (1947 Edition), being Article 2 of the Code of Public Local Laws of Maryland, title "Anne Arundel County", sub-title "Sanitary Districts", said new section to follow immediately after Section 488 thereof, and to read as follows:

488A. (a) *The Anne Arundel County Sanitary Commission is authorized to initiate and conduct investigations, studies, surveys and engineering reports of long-range planning in all or any part of Anne Arundel County as, in its discretion, may be necessary for the future installation of water and sewerage utilities needed for future development, and for the health, welfare and benefit of the residents of Anne Arundel County.*

(b). *The Commission is hereby empowered to employ such technical, legal, clerical and other help as may be necessary to carry out such planning, and is further authorized to employ such outside engineering assistance as it may select, other than its own engineering forces, as it may deem necessary.*

(c). *The cost of the long-range planning herein provided, shall be paid by the Commission from funds provided to it from private developers, Federal, State, Metropolitan and County agencies and from such other sources as funds may be contributed to the Commission for the purpose of such planning, subject to the approval of the County Commissioners of Anne Arundel County, and said County Commissioners are authorized to appropriate such sum or sums of money as they may deem necessary and reasonable to carry out such planning, and the Sanitary Commission is hereby authorized to enter into contracts and agreements with the persons, firms or agencies providing such funds.*
