

with any one or more of the States of Delaware, New Jersey, Pennsylvania, Virginia and West Virginia, and the legislature hereby signifies in advance its approval and ratification of such compact:

Article I

The purpose of this compact is to promote effective prevention and control of forest fires in the Middle Atlantic region of the United States by the development of integrated forest fire plans, by the maintenance of adequate forest fire fighting services by the member states, and by providing for mutual aid in fighting forest fires among the compacting states of the region and with states which are party to other Regional Forest Fire Protection compacts or agreements.

Article II

This compact shall become operative immediately as to those states ratifying it whenever any two or more of the States of Delaware, Maryland, New Jersey, Pennsylvania, Virginia and West Virginia which are contiguous have ratified it and Congress has given consent thereto.

Article III

In each state, the state forester or officer holding the equivalent position who is responsible for forest fire control shall act as compact administrator for that state and shall consult with like officials of the other member states and shall implement cooperation between such states in forest fire prevention and control.

The compact administrators of the member state shall organize to coordinate the services of the member states and provide administrative integration in carrying out the purposes of this compact.

The compact administrators shall formulate and, in accordance with need, from time to time, revise a regional forest fire plan for the member states.

It shall be the duty of each member state to formulate and put in effect a forest fire plan for that state and take such measures as may be necessary to integrate such forest fire plan with the regional forest fire plan formulated by the compact administrators.

Article IV

Whenever the state forest fire control agency of a member state requests aid from the state forest fire control agency of any other member state in combating, controlling or preventing forest fires, it shall be the duty of the state forest fire control agency of that state to render all possible aid to the requesting agency which is consonant with the maintenance of protection at home.

Article V

Whenever the forces of any member state are rendering outside aid pursuant to the request of another member state under this compact, the employees of such state shall, under the direction of the officers of the state to which they are rendering aid, have the same powers (except the power of arrest), duties, rights, privileges and immunities as comparable employees of the state to which they are rendering aid.
