

shall be retained by the State Department of Education, to be applied as specified in this sub-section. As any funds so unused and retained aggregate the sum of five hundred dollars (\$500.) and successive multiples thereof, they may be utilized by the State Department of Education as units in furnishing additional scholarships in education under the provisions of this section, if they can be expended during the current fiscal year in the manner provided in this section. Any of such funds remaining unused at the end of any fiscal year shall be reverted into the General Funds of the State Treasury.

(h). It is the legislative intent in the enactment of this section that any person who receives and makes use of the scholarships provided for herein shall by so doing engage himself or herself to be available for service as a teacher or administrator in the public school system of this state for a period of years at least as long as that for which he or she took advantage of such scholarship.

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1956.*

Approved April 4, 1956.
