

Previso.

Commissioners shall make a full report of their proceedings.

House and farm to be furnished.

buy materials, borrow money and have and exercise all such powers as may be necessary and convenient for the purposes contemplated by this act; *Provided*, always that the expenditures by the commissioners in and about the purchase of said land, and the erection and repair of said buildings shall not in the aggregate exceed the sum of ten thousand dollars.

SEC. 3. *And be it enacted*, That the said commissioners appointed by this act, shall once in every six months or oftener if required, make a full report of their proceedings to the County Commissioners of said county, and when they shall have performed all the duties required of them by this act, they shall make a final report of their proceedings and return all their minutes and papers to the commissioners of said county, to be by them preserved and kept, and the County Commissioners of said county, shall levy as other county charges are levied, for the use of each of the commissioners appointed by this act, as compensation for their services, two dollars per day and mileage at the rate of five cents per mile, for the time they shall be actually and necessarily employed about the said business.

SEC. 4. *And be it enacted*, That when said farm and buildings, contemplated by this act, shall be in readiness for the accommodation of the poor of said county, the said commissioners appointed by this act, shall report the fact to the trustees of the poor of the said county, and deliver the said farm and buildings to said trustees, to be and remain under the management and direction as herein provided; and the said trustees shall immediately cause the necessary furniture for the use of the said building; the stock and farming implements necessary for carrying on of the said farm, to be procured on the most favorable terms, and shall cause the paupers, who then may be in the present almshouse to be removed to said farm, and the said trustees shall have full power, liberty and authority to appoint a physician, overseer and such other agents and laborers, as they may deem necessary on said farm, and fix the compensation for their services, and generally to make and establish such by-laws, orders and rules for the relief, regulation and labor of the poor and for the good
