

SEC. 7. *And be it enacted*, That the president and directors, or a majority of them, shall have full power and authority to call upon the subscribers to the capital stock of the said company for the payment of the respective amounts subscribed for in instalments of such amount, and at such times as the board may appoint; *Provided*, they shall give public notice of the day on which the payment shall be made, at least fifteen days previous to said day, and in case any stockholder shall refuse or neglect to pay such portion of his, her or their subscription at the time appointed, the president and directors may proceed to recover the same by due process of law.

Instalments.

Provide.

SEC. 8. *And be it enacted*, That all moneys belonging to the said company shall be paid into the hands of the Treasurer of said company, and the same shall be paid out by him on the order of the president and directors signed by the president.

Treasurer to receive and disburse all moneys.

SEC. 9. *And be it enacted*, That the president and directors, or a majority of them, shall have full power and authority to contract for and cause to be erected the bridge aforesaid, and are hereby authorised to select such site for said bridge, not lower than the present site of the ferry, as they or a majority of them may deem most safe and convenient; and they or a majority of them shall have full power and authority to agree with and appoint such engineers, superintendents, and other officers as they may think necessary to construct said bridge, and to contract and agree for materials and all such articles as they may deem necessary; and may draw upon the Treasurer of the said company for money to pay the wages or salaries of all persons by them employed, or for materials furnished.

President and Directors authorised to make contracts, &c.

SEC. 10. *And be it enacted*, That the said president and directors shall cause to be built and kept in repair a convenient and sufficient draw over the navigable part of said river, of not less than thirty feet in width, and shall at their cost, and without charge or toll, cause the passage way to be opened, without any unnecessary delay, for the passage of all vessels that are unable to pass under the same.

Draw to be erected over navigable part of river.
