

- 1898 Ch. 230. Dividing election district No. 5 into two precincts.

"The fifth election district of Frederick county, commonly known as Emmittsburg district, is divided into two separate and distinct voting or election precincts as determined by a division line beginning at the Pennsylvania State line in the middle of the public road leading from Emmittsburg in said district to Gettysburg, in the State of Pennsylvania, and running thence by a southerly course along the middle of said road to the fountain in the public square at Emmittsburg and Frederick Turnpike to the first toll gate thereon, and thence along the middle of the Emmittsburg and Creagerstown public road to the southern line or boundary of said district; and all that part of said district lying west of said division line shall be and constitute precinct No. 1, and all that part lying east of said line shall be and constitute precinct No. 2 of said district."

- 1904 Ch. 85. Additional election district, No. 25, established from 2d precinct of No. 12 election district.

"That the boundaries of the said "Brunswick District" or "Election District No. 25" shall be the corporate limits of the town of Brunswick and coincident with the limits of the second voting precinct of said District No. 12, as the same were fixed by the Acts of 1894 Ch. 78.

- 1904 Ch. 596. Additional election district No. [26] erected from portions of the 11th and 13th election districts with the following bounds:

"Beginning at a point on the Monocacy river, in Woodsborough District, or Election District No. 11, now known as Link's ford, and running with the east bank of said river to the Frederick and Woodsborough turnpike bridge, over said river known as the Ceresville bridge; then with said Frederick and Woodsborough turnpike road to the place where said turnpike road intersects the Frederick and Libertytown turnpike road; then with the center of said Frederick and Libertytown turnpike road to the covered bridge over Israel's creek, known as Creamer's bridge; then with the west bank of said Israel's creek to the public road known as Johnson's lane; then with said public road to a point where the said public road intersects the public road known as the Ridge road, leading from Morgan's mill to the village of Mount Pleasant; then in a straight line to a point where the public road known as the Dutrow road intersects the public road known as Water street road; then with said Dutrow road to a point where said road intersects the public road leading from Libertytown to the Frederick and Woodsborough turnpike road known as the Middle road, being a point on the line
