

every day that the board of commissioners sit upon the business of the said town, to be paid to him or them out of the funds of the said corporation ; but if the said commissioners be called to view and determine upon the limits or boundaries of any lot or lots in the said town, or in the additions thereto, or any of them, then the party or parties by whom they are so called upon to act, shall pay to each commissioner so acting for his trouble, the sum of one dollar per day.

11. AND BE IT ENACTED, That the said commissioners or a majority of them, shall have power and are hereby required annually to appoint a treasurer for the said corporation, and to allow to such treasurer such a fixed annual salary as they shall deem proper for his services ; *Provided*, That the said treasurer, so appointed, before he proceeds to act as such, shall give bond to the said corporate body, with security to be approved by the said commissioners, or a majority of them, in the sum of one thousand dollars, conditioned for the faithful discharge of his duty as treasurer.

12. AND BE IT ENACTED, That the ordinances and proceedings of the said commissioners shall, by their clerk, be entered in a book to be by him kept for that purpose; shall be signed by the moderator for the time being and be countersigned by the clerk, and shall be open at all times to the inspection of any person ; and all ordinances shall be published at least once in some German and some English paper printed in the said town, that the same may be known and made public.

13. AND BE IT ENACTED, That the said commissioners, or a majority of them, shall have power to regulate by ordinance, from time to time, as public utility may in their opinion require, the market in Hager's-Town, appoint an inspector of the said market, assign to him his duties, and allow to him, out of the funds of the said town, a reasonable salary, such as will compensate his services, and enable him to repair and render convenient the benches around the said Market-house; and may authorise him, under their controul and direction, to rent out, for the benefit of the corporation, the butcher's stalls in, and the benches in and about the said market-house ; and the said commissioners, or a majority of them, shall have power by ordinances, to direct and provide for the levelling and paving the streets, alleys and foot ways in the said town and its additions, or any of them ; to graduate the said streets and alleys, and direct repairs upon them when they, or a majority of them think such repairs necessary ; to cause bridges or culverts to be made over the waters or hollows in the said town or its additions, or any of them, where they, or a majority of them may deem such necessary ; to compel owners or occupiers of improved or unimproved lots in the said town, or its additions, or any of them, to pave
