

they can obtain for the same; provided they shall not be sold at private sale for less than par and accrued interest.

SEC. 4. *And be it further enacted*, That the sum of Twenty Thousand Dollars (\$20,000), or so much thereof as may be necessary, shall be paid by the Treasurer of the State upon the warrant of the Comptroller out of the proceeds of the sale of said bonds or Certificates of Indebtedness, for the payment of the expense of engraving, printing and other outlays connected with the issue of the loan here authorized, and for the payment of the advertising directed by this Act, and all other incidental expenses, connected with the execution of its provisions in connection with said loan.

SEC. 5. *And be it further enacted*, (a) That the actual cash proceeds from the sale of certificates of indebtedness to be issued under this Act shall be paid to the Treasurer of the State upon the warrant of the Comptroller, and such proceeds shall be used exclusively to supplement grants made to municipalities in this State under the Water Pollution Control Act of the Congress of the United States, as amended by Public Law 660 of the 84th Congress and as further amended from time to time.

(b) Any use of State funds shall be only for the construction of necessary treatment works to prevent the discharge of untreated or inadequately treated sewage or other waste into any waters and for the purpose of reports, plans, and specifications in connection therewith, under said Public Law 660, as amended from time to time.

(c) Any municipality in this State which has received a Federal grant under said Public Law 660, as amended from time to time, may petition the State of Maryland for an equal and matching grant toward the cost of the same project, SUBJECT TO THE LIMITATION THAT THE STATE AND FEDERAL GRANTS COMBINED SHALL NOT EXCEED FORTY PER CENTUM (40%) OF THE TOTAL CONSTRUCTION COST OF ANY SEWERAGE TREATMENT PLANT. The petition in the first instance shall be directed to the State Board of Health and upon the approval of the plans by the State Board of Health, the said Board of Health shall promptly report the petition to the Board of Public Works together with its report that the project has been approved both by the Surgeon General of the United States or other lawful Federal authority under the provisions of Public Law 660 of the 84th Congress, as amended from time to time, and also by the State Department of Health, and that the Board of Public Works should make available the necessary matching funds as provided hereunder.

(d) The Board of Public Works shall allocate from moneys available under this Act, to every municipality receiving such a Federal grant, an equal and matching sum toward the cost of the same project, SUBJECT TO THE LIMITATION THAT THE STATE AND FEDERAL GRANTS COMBINED SHALL NOT EXCEED FORTY PER CENTUM (40%) OF THE TOTAL CONSTRUCTION COST OF ANY SEWERAGE TREATMENT PLANT. The Board shall certify the allocation of State funds to the Treasurer of the State, and the Treasurer shall make them available to the municipality when needed for the construction of the project.

(e) The Board of Public Works is authorized, in its discretion, to adopt and promulgate rules and regulations for receiving such
