

588. *Qualification of Applicants for Examination for Certification.* Application for examination for certification as a psychologist or for certification without examination as a psychologist shall be upon the forms prescribed by the Board. The Board shall certify as a psychologist any person who pays the prescribed fee, who passes a satisfactory examination in psychology, and who submits evidence verified by oath and satisfactory to the Board that he:

(1) Is at least twenty-one years of age;

(2) Is of good moral character;

(3) Is a citizen of the United States or has legally declared his intention of becoming such a citizen;

(4) Has received the doctoral degree based on a program of studies whose content was primarily psychological from an accredited educational institution having an appropriate graduate program, or a program of studies judged by the Board to be equivalent in both subject matter and extent of training;

(5) Has had at least two years of professional experience in psychology.

589. *Examinations.* The Board shall administer examinations to qualified applicants for certification at least once a year. The Board shall determine the subject and scope of the examinations. Written examinations may be supplemented by such oral examinations as the Board shall determine. An applicant who fails his examination may be re-examined at a subsequent examination upon payment of another examination fee.

590. *Waivers Authorized.* Until December 31, 1959, a person who is at least twenty-one years of age, is of good moral character, and is a citizen of the United States or has legally declared his intention of becoming a citizen may upon application and payment of the application and certification fees, be certified by the Board as a psychologist:

(1) Without examination if he has a doctor's degree from an accredited institution based upon a program which is primarily psychological or the substantial equivalent thereof in both subject matter and extent of training and, in addition, has had five years of professional experience satisfactory to the Board; or

(2) Without examination if he has a master's degree from an accredited institution based upon a program which is primarily psychological or the substantial equivalent thereof and, in addition, has had eight years of professional experience satisfactory to the Board; or

(3) With examination if he has a master's degree from an accredited institution based upon a program which is primarily psychological or the substantial equivalent thereof and, in addition, has had at least three years but less than eight years of professional experience satisfactory to the Board; OR

(4) ANY PERSON, WHO PRIOR TO JUNE 1, 1957, HAS BEEN HOLDING HIMSELF OUT TO THE PUBLIC AS A PSYCHOLOGIST FOR REMUNERATION IN THIS STATE, SHALL BE
