

Annotated Code of Maryland (1951 Edition), title "Natural Resources", sub-title "Water Resources", said new section to be known as Section 669A, to follow immediately after Section 669 of said Article, and to read as follows:

669A. It shall be unlawful for the State or any agency thereof, any person or persons, partnership, association, private or public corporation, county, municipality or other political sub-division of the State to construct, re-construct, change, OR make an addition to ~~or repair~~ any conduit, pipe line, wire cable, trestle or other device, structure or apparatus, in, under, through or over the bed or waters of the Potomac River, without obtaining a permit therefor from the Department of Geology, Mines and Water Resources. The obtaining, use and holding of such a permit shall be subject severally to the provisions concerning permits found elsewhere in this sub-title.

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1957.*

Approved April 15, 1957.

CHAPTER 758

(House Bill 107)

AN ACT to add Sections 37A, 37B, 37C, 37D, 37E and 37F to Article 78 of the Annotated Code of Maryland (1956 Supplement), title "Public Service Commission Law", sub-title "Public Service Companies", sub-heading, "Railroad Companies", to follow immediately after Section 37 thereof, relating to Employers and Employees of Railroad; providing for the regulation of health and safety conditions in places of railroad employment, and further providing a penalty for violation thereof.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That new Sections 37A, 37B, 37C, 37D, 37E, and 37F, be and they are hereby added to Article 78 of the Annotated Code of Maryland (1956 Supplement), title, "Public Service Commission Law", sub-title "Public Service Companies", sub-heading, "Railroad Companies", said new sections to follow immediately after Section 37 thereof, relating to Employers and Employees of Railroad; and all to read as follows:*

37A. (Duties of the Commission). For the purpose of protecting the health and safety of employees of railroads, the Public Service Commission, hereinafter called the commission, shall prescribe standards of health and sanitation requiring:

1. The installation and maintenance by railroads of ~~sanitary~~ EITHER WATER OR CHEMICAL toilet and wash-room facilities
