

and upon the filing of said plat and the approval of said locality by the governing body and the Commission, such sanitary district shown on said plat shall be, and the same is hereby designated and constituted for the purpose of this sub-title to be a separate sanitary district, and shall be given by the Commission a distinctive name and shall be subject to all the provisions of this sub-title, and the filing of said plat shall constitute legal notice to the public of such action of the Commission. That for the purpose of providing for the organization and preliminary expenses of any newly constituted sanitary district, the governing body shall furnish the Commission from time to time such sum, as in its discretion said governing body may deem proper, all of which shall be repaid out of the first bond issue of the particular district.

585. The Commission shall cause surveys, plans, specifications and estimates to be made for water supply, sewerage and drainage systems in those portions of the county in which the Commission exercises authority, and shall divide each sanitary district into water, sewerage and drainage districts in such way as shall, in its judgment, best serve the needs of the various communities, and shall promote convenience and economy of installation and operation. Whenever, and as, such plans are completed, the Commission shall give notice by publication in one newspaper published within the County, for three weeks, and by handbills posted and circulated in the localities where said improvements are contemplated, and shall state in said notice the probable cost of the contemplated improvements, and shall further state therein that plans of the improvements may be inspected at the Commission's office and that any person interested in said improvements will be heard by the Commission at a time to be specified in the notice, but not less than ten days after first publication thereof. If twenty-five residents and landowners in the sanitary district wherein the improvements are contemplated shall thereupon, and within ten days after the last of said publications of said notice, file a petition with the Commission protesting against the proposed improvement, the Commission shall grant them a hearing within ten days after such petition is filed in the office of the Commission and after not less than five days notice of the time and place of said hearing by advertisement published in one newspaper published within the County, and by personal notices addressed to any one or more persons whose names are signed to said petition. After due hearing as aforesaid, the Commission shall decide upon the reasonableness of the objections stated in the petition; and shall dispose of the same by written order concurred in by a majority of the Commissioners, which order shall be published in the same manner as notices are herein required to be published and a copy of which shall be mailed to any one or more of the petitioners. If the petitioners are not satisfied with the Commission's decision they shall have the right to take and enter, within ten days after the last publication of said order as aforesaid, an appeal to the governing body of said counties who shall review the Commission's decision and decide as to the necessity and propriety of the improvement contemplated and whether the District can stand the cost of the same; and the decision of the governing body shall be final.

586. (a) For the purpose of providing funds for the design, construction, establishment, purchase or condemnation of water supply, sewerage, and drainage systems in any of the sanitary districts, the
