

*Commission of any particular District is authorized and empowered to issue bonds, from time to time upon the full faith and credit of the county or counties, in which said District is located, in such amounts as it may deem to be necessary to carry on its work, but at no time shall the total issue of bonds in any sanitary district for all purposes under this sub-title exceed twenty-five per centum of the total value of the property assessed for county taxation purposes within said sanitary district. The bonds of each issue shall be dated, shall bear interest at such rate or rates not exceeding five per centum per annum, shall mature at such time or times not exceeding forty years from their date or dates, as may be determined by the Commission, and may be made redeemable before maturity, at the option of the Commission, at such price or prices and under such terms and conditions as may be fixed by the Commission prior to the issuance of the bonds. The Commission shall determine the form of the bonds, including any interest coupons to be attached thereto, and the manner of execution of the bonds, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company. Such endorsement shall be signed on each of said bonds by the chief executive officer and by the Clerk or Secretary of the particular governing body or bodies within ten days after the bonds are presented by the Commission to them for endorsement.
