

amount in hand to the credit of said bond fund, the Commission shall first pay all interest and principal on said bonds as the same become due, and shall then deposit the residue of said moneys in some bank or banks in the County or Counties where said district is located to the joint credit of the county and the Commission. The Commission is authorized to pay the interest on any bonds it may issue out of the proceeds of the sale of said bonds, but not more than one year's interest may be so expended.

(b) In order that the prompt payment of interest and the proper provision for the payment of the principal of said bonds shall be assured, the prompt and proper performance of the respective acts and duties heretofore defined is specifically enjoined, and any failure upon the part of any person, persons, body corporate or agent to perform the necessary acts and duties hereafter set forth, to pay over the said funds as required, or to use said funds or any part thereof for any other purpose than for the payment of the principal and interest on said bonds, is hereby declared a misdemeanor and punishable as other misdemeanors are punishable under the provisions of Section 601 of this sub-title.

591. The Commission shall provide for each and every property abutting upon a street or right-of-way in which under this sub-title a water main or sewer is laid, a water service pipe or sewer connection, which shall be extended as required, from the water main or sewer to the property line of the abutting lot, said service pipe or connection with sewer shall be constructed by and at the sole expense of the Commission, but subject to a reasonable charge for said connection as provided in Section 589 of this sub-title, which said charge shall be paid by all property owners at the office of the Commission before the actual connection with any pipe or private property is made. When any water main or sewer is declared by said Commission complete and ready for the delivery of water or the reception of sewage, every abutting property owner, after due notice, shall make a connection of all spigots or hydrants, toilets and waste drains with said water main or sewer within the time prescribed by the Commission. Where the aforesaid fixtures do not exist, or of a nature which, in the judgment of the Commission, is improper or inadequate, satisfactory equipment shall be installed by the owner on the premises consisting of at least one water closet and one sink or wash-basin, both of which shall be properly connected with the sewer of said District. All cesspools, sink drains and privies located on properties connected to sewers provided by the Commission shall be abandoned, closed and left in a sanitary condition so that no odor or nuisance shall arise therefrom. Any violation of the provisions of this section shall be a misdemeanor punishable under Section 601 of this sub-title.

592. Before any plumbing, water works, or sewer construction is done in any building or upon any private property within any sanitary district the person, the firm or corporation doing the same shall first obtain a permit from the Commission and pay therefor such reasonable sum as the Commission may from time to time formulate, and subject to such inspection as it may deem necessary. No connection of any kind shall be made with any water main or sewer constructed or maintained by the Commission without a permit and
