

Resolved, That the Board of Public Works be directed not to sanction any such destruction unless a full report on the circumstances and reasons is first made to the members of the General Assembly, and be it further

Resolved, That the Secretary of the Senate be instructed to send a copy of this resolution to the Secretary of the Board of Public Works and that pending the availability of printed copies of the resolution, he further be directed to communicate at once by telephone or messenger with the members of the Board of Public Works, and be it further

Resolved, That in such communication the Secretary of the Senate be instructed to make strong representations of the important questions of public policy here being raised by the General Assembly.

Approved April 15, 1957.

No. 36

(House Joint Resolution 6)

House Joint Resolution requesting the State Department of Education to make an exhaustive survey of the potential development of the program for the pre-school education of handicapped children over the period of the next five years.

WHEREAS, Pursuant to the study made by the Legislative Council's Committee on the Pre-School Education of Handicapped Children, there was introduced into the General Assembly of 1957, Senate Bill No. 11 to provide for a separate item in the State Budget for this purpose in an amount not less than Two Hundred and Fifty Thousand Dollars (\$250,000.) annually; and

WHEREAS, In the enactment of this bill, members of the General Assembly were concerned over the potential development of this item of expenditure into a much larger one; and

WHEREAS, It is the desire of the members of the General Assembly to secure an accurate forecast of this program over the next five-year period, in order that they may properly evaluate this item in future State Budgets; now, therefore be it

Resolved by the General Assembly of Maryland, That the State Department of Education be requested to make a thorough study of the types of handicapped children who might be covered under the provisions of Senate Bill No. 11 of 1957 and to project over a five-year period the potential development of this program; and be it further

Resolved, That in such study, the State Department of Education be requested to submit figures in terms of the number of
