

may, by appropriate action, prohibit the issuance of additional bonds provided for in this sub-title, or may restrict the amount of bonds that may be issued during the second four-year period next succeeding the effective date of this sub-title; provided, however, if after legislative review as aforesaid, the General Assembly shall fail to prohibit or restrict the amount of bonds that may be issued to accomplish the construction and reconstruction contemplated during the second four-year period, above referred to, then the bonds necessary to supplement construction funds available to finance the proposed construction and reconstruction during that period as set forth in the document entitled "Road Construction and Reconstruction in the proposed Twelve-year Program", may be issued. *On or before the 15th day of February, 1958, the Commission shall again present to the Governor and the General Assembly the same type of report as shall be submitted prior to the end of the first four-year period, and the General Assembly shall have the authority again to review the program and the further authority to prohibit or restrict the amount of bonds that may be issued to supplement construction funds available to finance the proposed construction and reconstruction during the remainder of the second four-year period, as said proposed construction and reconstruction is set forth in the above-mentioned document. On or before the 31st day of January, 1959, the Commission shall again present to the Governor and the General Assembly the same type of report as shall be submitted prior to the end of the first four-year period, and the General Assembly shall have the authority again to review the program and the further authority to prohibit or restrict the amount of bonds that may be issued to supplement construction funds available to finance the proposed construction and reconstruction during the remainder of the second four-year period, as said proposed construction and reconstruction is set forth in the above-mentioned document. Prior to the end of the second four-year period next succeeding the effective date of this sub-title, i.e. on or before the 31st day of January, during the 1961 session of the General Assembly, the Commission shall again present to the Governor and the General Assembly the same type of report as shall be submitted prior to the end of the first four-year period, and the General Assembly shall have the authority to again review the program and the further authority to prohibit or restrict the amount of bonds that may be issued to supplement construction funds available to finance the proposed construction and reconstruction during the third four program year period as said proposed construction and reconstruction is set forth in the above-mentioned document. [; provided, however, that during]* *On or before the 31st day of January, 1963, the Commission shall again present to the Governor and the General Assembly the same type of report as shall be submitted prior to the end of the first and second four-year periods, and the General Assembly shall have the authority again to review the program and the further authority to prohibit or restrict the amount of bonds that may be issued to supplement construction funds available to finance the proposed construction and reconstruction during the remainder of the third four-year period, as said proposed construction and reconstruction is set forth in the above-mentioned document. During the first four program years, the second four program years and the third four program years of said program, the State Roads Commission may issue such additional bonds from the aggregate authorized under this sub-title as may be necessary to finance any reprogramming of construction or reconstruction*
