

2. *Unground hay.*

3. *Whole or ground straw, stover, silage, cobs, and hulls when not mixed with other materials.*

d. *The term "feed ingredient" means each of the constituent materials making up a commercial feed.*

e. *The term "brand" means the term, design, trademark, or other specific designation under which an individual commercial feed is distributed in this State.*

f. *The term "label" means a display of written, printed, or graphic matter upon or affixed to the container in which a commercial feed is distributed, or on the invoice or delivery slip with which a commercial feed is distributed.*

g. *The term "ton" means a net weight of two thousand pounds avoirdupois.*

h. *The term "per cent" or "percentage" means percentage by weight.*

i. *The term "official sample" means any sample of feed taken by the State Chemist or his agent and designated as "official" by the State Chemist.*

126. *Registration.*

a. *Each commercial feed shall be registered before being distributed in this State. The application for registration shall be submitted on forms furnished by the State Chemist, and, if the State Chemist so requests, shall also be accompanied by a label or other printed matter describing the product. Upon approval by the State Chemist a copy of the registration shall be furnished to the applicant.*

*All registrations expire on December 31 of each year. The application shall include the information required by paragraphs (2), (3), (4), and (5) of sub-section (a) of Section 127.*

b. *A distributor shall not be required to register any brand of commercial feed which is already registered under this Sub-title by another person.*

c. *Changes in the guarantee of either chemical or ingredient composition of a registered commercial feed may be permitted, provided there is satisfactory evidence that such changes would not result in a lowering of the feeding value of the product for the purpose for which designed.*

d. *The State Chemist is empowered to refuse registration of any application not in compliance with the provisions of this Sub-title; and to cancel any registration subsequently found not to be in compliance with any provision of this Sub-title; provided, however, that no registration shall be refused or cancelled until the registration shall have been given opportunity to be heard before the State Chemist and to amend his application in order to comply with the requirements of this Sub-title.*
