

tion fees to constitute a fund for the payment of the cost of the inspection, sampling, analysis and other expenses necessary for the administration of this Sub-title.

b. Every person who distributes commercial feed in this State shall:

1. File, not later than the last day of January, and of July of each year, a semi-annual statement under oath, setting forth the number of net tons of commercial feeds distributed in this State during the semi-annual period ending respectively on the last days of December and June next preceding; and upon filing such statement shall pay the inspection fee at the rate stated in sub-section (a) of this Section. When more than one person is involved in the distribution of a commercial feed, the person who distributes to the consumer is responsible for reporting the tonnage and paying the inspection fee unless the report and payment have been made by a prior distributor of the feed.

2. Keep such records as may be necessary or required by the State Chemist to indicate accurately the tonnage of commercial feed distributed in this State, and the State Chemist shall have the right to examine such records to verify statements of tonnage.

c. Failure to make an accurate statement of tonnage or to pay the inspection fee or company as provided herein shall constitute sufficient cause for the cancellation of all registrations on file for the distributor.

129. Adulteration.

No person shall distribute an adulterated feed. A commercial feed shall be deemed to be adulterated:

a. If any poisonous, deleterious or non-nutritive ingredient has been added in sufficient amount to render it injurious to health when fed in accordance with directions for use on the label.

b. If any valuable constituent has been in whole or part omitted or abstracted therefrom or any less valuable substance substituted therefor.

c. If its composition or quality falls below or differs from that which it is purported or is represented to possess by its labeling.

d. If it contains added hulls, screenings, straw, cobs, or other high fiber material unless the name of each such material is stated on the label.

130. Misbranding.

No person shall distribute misbranded feed. A commercial feed shall be deemed to be misbranded:

a. If its labeling is false or misleading in any particular.

b. If it is distributed under the name of another feed.

c. If it is not labeled as required in Section 127 of this Sub-title and in regulations prescribed under this Sub-title.

d. If it purports to be or is represented as a feed ingredient, or if it purports to contain or is represented as containing a feed ingre-
