(d) Which prorata computation is made by the use of the following formula:

$$\frac{[\$3000] \$3300 - b \quad c. s.}{x} \\ \frac{[6] 5 \quad 25}{25}$$

in which formula "b" represents "benefits provided by Sec. 11" and "c. s." represents "years of creditable service," except that the ratio of "c. s. divided by 25" shall not be applied to any beneficiary who was, or member who may be retired for disability having less than 25 years of creditable service, and

(e) Provided that the retirement allowance used in calculating the supplementary payment shall be the total benefits provided in Sec. 11 of this article except that it shall not be based on any optional benefit chosen by the beneficiary or member, and

(f) Provided that such beneficiary or member, excepting any person who may retire for reasons of disability, is not eligible to receive benefits from the federal old age and survivors' insurance system; but this subsection shall not be construed to affect or bar any person's right to receive supplementary payments under this article or any other laws of this State, if such person was receiving such payments prior to June 1, 1958.

#### ARTICLE 77

116(7) Supplementary payments.—The board of trustees is hereby authorized and directed, subject to the annual appropriation of the necessary funds and in addition to those provided in accordance with and in the same manner as that provided in subsections (1), (2), (3), (4), (5), and (6) of this section, and subject to the conditions hereinafter provided, to make a supplementary payment to any beneficiary, or member who may be retired from service in the future, in addition to the benefits provided in Sec. 113 of this article, on the following basis:

(a) Which is not less than the rate of the supplementary payment received by any beneficiary prior to July 1, [1956] 1959, and

(b) Which, when added to the benefits provided pursuant to Sec. 113 of this article is not less than [\\$1,250] \$1,380 per annum; provided, however, that the said beneficiary, or member who may be retired from service in the future, is credited with 25 years of service, and provided that any beneficiary, or member who may be retired from service in the future, having less than 25 years of creditable service shall have his supplemental payment reduced in proportion to the ratio of the number of years of creditable service divided by 25, and provided that no such reduction shall be made for any beneficiary or member who may be retired in the future who was retired for disability, and

(c) Which is computed pro rata on the basis of the following condensed table:
