

fore being distributed in this State; *provided, however, that customer-formula feeds are exempt from registration.* The application for registration shall be submitted on forms furnished by the State Chemist, and if the State Chemist so requests, shall also be accompanied by a label or other printed matter describing the product. Upon approval by the State Chemist a copy of the registration shall be furnished to the applicant.

All registrations expire on December 31 of each year. The application shall include the information required by paragraphs (2), (3), (4), and (5) of sub-section (a) of Section 120.

## 120.

(a) Commercial feed to be labeled; information required on label.—Any commercial feed distributed in this State shall be accompanied by a legible label bearing the following information:

(1) The net weight.

(2) The name or brand under which the commercial feed is **[sold]** *distributed*.

(3) The guaranteed analysis of the commercial feed, listing the minimum percentage of crude protein, minimum percentage of crude fat, and maximum percentage of crude fiber. For mineral feeds the list shall include the following if added: Minimum and maximum percentage of calcium (Ca), minimum percentage of phosphorus (P), minimum percentage of iodine (I), and minimum and maximum percentage of salt (NaCl). Other substances or elements, determinable by laboratory methods, may be guaranteed by permission of the State Chemist. When any items are guaranteed, they shall be subject to inspection and analysis in accordance with the methods and regulations that may be prescribed by State Chemist. Products **[sold]** *distributed* solely as mineral and/or vitamin supplements and guaranteed as specified in this section need not show guarantees for protein, fat and fiber.

(4) The common or usual name of each ingredient used in the manufacture of the commercial feed, except as the State Chemist may, by regulation, permit the use of a collective term for a group of ingredients all of which perform the same function.

(5) The name and address of the person responsible for distributing the commercial feed.

(b) How label placed or affixed.—Any commercial feed, when distributed in this State in bags or other containers, shall bear the label placed on or affixed to the container; when distributed in bulk the label shall accompany delivery and be furnished to the **[purchaser]** *distributee* at time of delivery.

(c) *A customer-formula feed shall be labeled by invoice. The invoice and/or delivery ticket, which is to accompany delivery and be supplied to the distributee at the time of delivery, shall bear the following information:*

(1) *Name and address of the mixer.*

(2) *Name and address of the distributee.*

(3) *Date of distribution.*
