

(e) If any word, statement, or other information required by or under authority of this sub-title to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

124.

(a) Duty of State Chemist; right of entry.—It shall be the duty of the State Chemist who may act through his authorized agent, to sample, inspect, make analyses of, and test commercial feeds distributed within this State at such time and place to such an extent as he may deem necessary to determine whether such feeds are in compliance with the provisions of this sub-title. The State Chemist individually or through his agent, is authorized to enter upon any public or private premises including any vehicle of transport during regular business hours in order to have access to commercial feeds *and customer-formula feeds* and to records relating to their distribution.

(d) Procedure when inspection and analysis indicate adulteration or misbranding.—When the inspection and analysis of an official sample indicates a commercial feed has been adulterated or misbranded, the results of analysis shall be forwarded by the State Chemist to the distributor and the [purchaser] *distributee*. Upon request within thirty days, the State Chemist shall furnish to the distributor a portion of the sample concerned.

128.

The State Chemist shall publish at least annually, in such forms as he may deem proper, information concerning the [sales] *distribution* of commercial feeds, together with such data on their production and use as he may consider advisable and a report of the results of the analyses of official samples of commercial feeds [sold] *distributed* within the State as compared with the analyses guaranteed in the registration and on the label: Provided, however, that the information concerning production and use of commercial feeds shall not disclose the operations of any person.

SEC. 2. *And be it further enacted*, That this Act shall take effect January 1, 1961.

Approved March 23, 1960.
