

and funds for any projects resulting from the report of the Corps of Engineers; now therefore, be it

*Resolved by the General Assembly of Maryland,* That we urge the Maryland Delegation in the Senate and House of Representatives of the Congress to support the budgetary requests of the Corps of Engineers for funds in the civil works appropriation bills for the Potomac River Survey so that the survey is completed at the earliest feasible date, without any unnecessary restrictions as to use in order that a comprehensive plan of development of all the resources of the River is prepared; and be it further

*Resolved,* That we urge our sister States in the Potomac River Basin to seek the same cooperation from their Congressional representatives, and we further urge the Governors of these States to investigate plans for the development of local participation in Potomac River projects; and be it further

*Resolved,* That the Legislative Council is urged to reappoint the Special Committee on the Potomac River so that it may continue its work, and be it further

*Resolved,* That copies of this resolution be sent to Senators Beall and Butler, and to Representatives Brewster, Fallon, Foley, Friedel, Garmatz, Johnson and Lankford.

Approved March 1, 1960.

No. 2

(Senate Joint Resolution 1)

Joint Resolution requesting the Governor to appoint a special commission to study and report on the problems of illegitimacy among the recipients of Public Welfare monies in the program for aid to dependent children.

During the year 1959 the Budget and Finance Committee of the Legislative Council held a number of hearings on the problems of illegitimacy among recipients of Public Welfare monies in the program for aid to dependent children.

Statistics on the subject were not readily available, and by the time they were supplied by the State Department of Public Welfare, no further time remained for the Committee to work on the problem. In addition, of course, it is a problem representing most difficult questions of sociology and public policy.

The Committee did ascertain the dimensions of the problem in Maryland and learned from other states that it has received detailed
