

direct the extension of such facilities without regard to such order of priority previously established. ]

SEC. 2. *And be it further enacted*, That Section 74-55.1 of the Montgomery County Code (1955 Edition, being Article 16 of the Code of Public Local Laws of Maryland), title "Montgomery County", sub-title "Washington Suburban Sanitary District", as enacted by Chapter 78 of the Acts of 1955, be and it is hereby repealed and a new Section 74-55.1 enacted in lieu thereof to stand in the place of the section so repealed; and that Section 1590A of the Prince George's County Code (1953 Edition, being Article 17 of the Code of Public Laws of Maryland), title "Prince George's County", sub-title "Washington Suburban Sanitary District", as enacted by said Chapter 78 of the Acts of 1955, be and it is hereby repealed and a new Section 1590A enacted in lieu thereof to stand in the place of the section so repealed, and to read as follows:

74-55.1 (1590A)

*(a) The Commission is hereby directed to adopt on or before ~~July~~ OCTOBER 1, 1959, a five year projected program of major extensions of sewer and water facilities in the Sanitary District and in such other areas within Montgomery and Prince George's County as the Commission may deem appropriate for inclusion within the Sanitary District within the next five years, and to revise and bring up to date on or before every first day of ~~July~~ OCTOBER thereafter such program by the addition thereto of additional projects to be added to such extension program, and such program and annual revisions thereof shall set forth the order of construction priority and estimated cost of each project included therein. Said Commission shall thereafter adhere to and follow such program in the priority so established for the extension of its facilities and shall not deviate or depart from such order of priority until and unless said Commission by resolution shall determine and declare that, for the immediate preservation of the public health and safety, it is necessary to change the order of priority and to direct the extension of such facilities without regard to the order of priority previously established, and except as otherwise required by this section.*

*(b) Thirty or more days before the adoption of its annual five-year sewer and water construction programs the Commission shall transmit to the Maryland-National Capital Park and Planning Commission its proposed programs, including dates of construction priority and estimated cost of the projects included therein, along with a general statement in explanation of such proposed programs, and the Commission shall not thereafter adopt its final construction programs for the ensuing five years until it shall have received from said Park and Planning Commission its comment on the proposed programs and priorities or until thirty days shall have passed, whichever shall be sooner. If said Park and Planning Commission shall recommend any changes or deletions in the proposed programs, it shall state its reasons therefor, and the Sanitary Commission shall re-examine its proposed programs and give due weight to the recommendations of said Park and Planning Commission before making final adoption of the programs, it being the intent of the General Assembly that the two Commissions shall make every reasonable effort to reach agreement with respect to the programs required by this section*
