

erally westerly about 0.7 miles along the southern boundary line of the St. Elizabeth Farm and its prolongation to its intersection with a line 2640 feet southeast of and parallel to the Maryland-District of Columbia Boundary Line; thence due southwest about 2.0 miles along the aforesaid line to its intersection with the Maryland-Virginia Boundary Line; thence northerly about 0.7 mile along the aforesaid Boundary Line to its intersection with the Maryland-District of Columbia Boundary Line; thence due northeast 10.0 miles along the aforesaid Boundary Line to the eastern corner of the District of Columbia; thence due northwest along the aforesaid Boundary Line to the point of intersecting the boundary line between Montgomery and Prince George's counties; thence in a northeasterly direction along the Montgomery-Prince George's counties line to the point of beginning.

(c) 1953 Addition in Prince George's county.—The area within the second precinct of election District No. 14 (Bowie), of Prince George's County, is added to the Regional District.

(d) 1957 Addition in Prince George's County.—The following described areas within Prince George's County are added to the Maryland-Washington Regional District:

(1) Beginning at the intersection of Defense Highway (U. S. 50) and Hillmeade Road and the Easterly Boundary of the existing Regional District, thence Easterly with the centerline of Defense Highway (U. S. 50) to its intersection with the center line of Crain Highway (U. S. 301) thence northeasterly with the centerline of Crain Highway to the Patuxent River and the Easterly Boundary of Prince George's County, thence northerly along said County Boundary to its intersection with the Southerly Boundary of the U. S. Department of the Interior, Patuxent Research Refuge, as described January 1, 1957, thence southwest along said boundary to its intersection with the Springfield Road and the existing Regional District Boundary Line, thence southeast along the existing Regional Boundary and the Springfield and Hillmeade Road to the place of beginning.

(2) Beginning at the intersection of the existing Maryland-Washington Regional District boundary and the Potomac Electric Power Company transmission line (approximately 800 feet east of Henson Creek), thence along said transmission line to its intersection with a line 300 feet southeast of and parallel to Allentown Road, thence southwest along said line 300 feet southeast of and parallel to Allentown Road to its intersection with a line 300 feet east of and parallel to Old Fort Road Spur, thence south along said line 300 feet east of and parallel to Old Fort Road Spur to a line 300 feet east of and parallel to Old Fort Road and continuing southwest along said line 300 feet east of and parallel to Old Fort Road to its intersection with a line 300 feet northeast of and parallel to Livingston Road, thence southeast along said line 300 feet northeast of and parallel to Livingston Road to its intersection with the Piscataway Creek, thence with the center line of Piscataway Creek to the Potomac River, thence north along the westerly boundary of Prince George's County to its intersection with the existing Regional District Boundary, thence
