

*called and known by the names of Harris' river and Broad river respectively.*

*The name of the tributary or branch of the St. Michael's river, known as Leeds creek, extending into Talbot county, is changed to Leeds river, and said Leeds creek shall hereafter be called and known by the name of Leeds river.*

*The name of the tributary or branch of Wye river, known as Skipton creek, extending into Talbot county, is changed to Skipton river, and said Skipton creek shall hereafter be called and known by the name of Skipton river.*

406. The County Commissioners of Talbot County shall have the control and regulations of the public roads and bridges in said county, [subject to the provisions of this act] *when such roads and bridges are not regulated and controlled by an authorized state agency according to the laws of this State, or within the confines and under the jurisdiction of any of the municipal corporations of this county.*

407. The County Commissioners for Talbot County shall include in their annual levy of taxes upon the taxable property of said county a tax [of not less than fifteen cents on the one hundred dollars,] *sufficient to provide a sum of money to cover the cost of and to be used for the maintenance, repair, construction and reconstruction of public roads and bridges in Talbot county, which taxes shall be levied and collected as are other county taxes. The said County Commissioners may levy and appropriate such other and additional taxes as they may deem requisite for the building of new bridges and the opening of new roads and for repairing and reconstructing public roads and bridges in said county. All the taxes levied and collected under this act SECTION shall be disbursed by the said County Commissioners for use upon the roads and bridges in said county. [in the manner hereinafter provided, and in no other.] and for no other purpose. The amounts as levied and collected hereunder shall be placed in a separate fund to be known as the "County Roads Fund". In the event the tax levied and collected for any one year shall exceed the expenditures for that year, the surplus shall be carried over in the said Fund to be used in the future for the purposes aforesaid and none other. The County Commissioners are authorized in their discretion to designate, hire and compensate such engineers, technicians, laborers or other employees as shall be deemed necessary from time to time and who shall be responsible directly to the County Commissioners and supervised under their direction; and to purchase, lease, hold and to maintain such equipment and/or material as shall be required to provide and maintain the county roads not otherwise provided for by law. The County Commissioners shall set forth REQUIRE a bond in an amount with such security as they shall see fit for any person so employed when the public interest shall seem to require such bond.*

411A. (1) Every county employee engaged in the construction or maintenance of county roads or bridges shall be under the exclusive jurisdiction and control of the County [Road Engineer] *Commissioners who may designate one or more persons in a supervisory capacity who shall exercise the responsibilities and duties set forth*
