

may make application to the Director of Health for a license, which, if issued, will relieve the holder of the above requirement that an inspection stamp be attached to every tag. Every such application for a license shall be accompanied by a fee of twenty-five dollars (\$25.00). Each license shall expire one year from the date of issuance, unless sooner revoked.

Every holder of a license shall make a report to the Director of Health every three months. Such report shall show the exact number of articles manufactured in or shipped into this State by such licensee which are included within the provisions of this sub-title during the period covered by the report and shall at the same time pay to said Director one cent for each article manufactured in or shipped into this State. Such reports shall be made under oath within thirty days of the expiration of the three-month period, unless such time is extended by the Director. Whenever any licensee shall fail to make the report and payment required herein or whenever such report is unsatisfactory, the Director may cause to be examined the books and records of such licensee for the purpose of determining the correct amount due from such licensee. In case of default in the payment of the amount so found to be due, together with expenses incurred in making such examination, such licensee shall forfeit its license.

【All fees collected under the provisions of this section shall be paid to the Director of Health, and, when so collected and paid, shall thereafter be by the said Director of Health, placed in a separate fund, to be known as the bedding fund, into which all moneys collected under the provisions of this section shall be paid, and from which all expenditures necessary in carrying into effect the provisions of this section shall be paid.】

【All moneys in the bedding fund, from time to time, are hereby specifically appropriated to the Department of Health, for the purpose of carrying into effect the provisions of this section, and for the payment of salaries and expenses of inspectors, employees, and for research, or any other necessary expenses of said Department of Health, connected with the enforcement of this section.】 *All moneys collected by the State Board of Health under the provisions of Section 65 shall be paid into the general funds of the State Treasury and shall be expended as provided in the Budget.*

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1959.*

Approved April 3, 1959.
