

mission of Maryland in charge of the vehicular crossing, or the authorized employee performing his duties in his absence.

(l) *Taxicab*: shall mean a motor vehicle used in the transportation of persons, for hire, having a seating capacity of seven (7) or fewer persons.

(m) *Tractor*: shall mean a vehicle designed for drawing or towing other vehicles and having no space for the carrying of a load or cargo.

(n) *Traffic*: in addition to its generally accepted meaning, shall include pedestrians, animals ridden or herded, and vehicles propelled by human power.

(o) *Trailer*: shall mean a vehicle (other than semi-trailer), not self-propelled, designed and constructed to be towed.

(p) *Truck*: shall mean a motor vehicle designed, used or registered for the transportation of goods, wares, merchandise or bulk cargo.

(q) *Tunnel*: shall mean the Baltimore Harbor Tunnel, sometimes known as the Patapsco Tunnel.

(r) *Vehicular Crossing*: shall include not only the Tunnels and Bridges operated and maintained by the Toll Facilities Department of the State Roads Commission of Maryland, but also the approaches thereto as above defined.

(s) *Unusual Vehicle*: shall include those which because of weight, height, length or width require special permits to travel on the highway.

383. Traffic using the vehicular crossings shall at all times comply with any lawful sign, order, signal or direction by voice, sign or hand of authorized employees of the vehicular crossing.

384. Pedestrians and bicycles are prohibited from using the vehicular crossings.

385. Hitchhiking is prohibited on any of the vehicular crossings, and it shall also be unlawful for motorists to pick-up or discharge any person on any of the vehicular crossings.

386. Vehicles shall not stop, stand or park on any vehicular crossing except:

(a) when necessary to avoid injury or damage to persons and property.

(b) in compliance with the lawful direction of authorized employees of the vehicular crossing.

(c) at designated areas for the transactions of business at the Administration Buildings.

(d) if disabled, in which case it shall be withdrawn, if possible, to the shoulder of the roadway, or adjacent to the emergency walkway on a bridge, or moved as directed by a Patrol Officer.

387. No vehicular turns shall be made in areas where turns are prohibited by signs or at cross-overs provided for emergency vehicles, except at the lawful direction of authorized employees of the vehicular crossing.
