and the State Department Health....3,810,062

General Fund Appropriation to Special Hospitals providing funds for long term illness for disbursement by the Treasury Department to the seven (7) institutions listed in the program and performance statement on transmittal from the State Department of Health. Eligibility for State-aid for hospital in-patient care of individuals in the named institutions shall be determined by the local Department of Public Welfare under policies established jointly by the State Department of Public Welfare and the State Department of Health. Payments to Special Hospitals shall be at the lesser of (a) \$5.50 per patient day, or (b) approved cost per patient day; except that in the case of Eudowood, a tuberculosis hospital, they shall be paid the lesser of (a) the average cost in State-owned tuberculosis hospitals, or (b) 80% of the approved cost per patient day. In the event that the Federal Government makes funds available to the State for hospitalization of the indigent, any part of this appropriation may be used for matching purposes by mutual consent of the institutions and the State Department of Health.....
